### WHO CAN ATTEND?

The Accelerated Genetics Young Producer Program is open to any producer-farm owners or herdspeople. Anyone interested in being involved is encouraged to attend this conference or any other Young Producer event throughout the year. This agricultural celebration event is designed for young producers-individuals, couples and their families.

### WHY ATTEND?

It is a great way get off the farm to spend time enjoying life, learn something new, meet fellow producers and spend time with your family.

### REGISTERING:

Please register by MAY 28<sup>TH</sup> via postcard or call 1.800.451.9275 ext. 222 or email [kstanek@accelgen.com](mailto:kstanek@accelgen.com).

### LARSON ACRES, INC.

Larson Acres is proud to host Accelerated Genetics 2008 Summer Meltdown Celebration.

Today, almost 40 years after incorporating, Larson Acres has grown from 80 cows and 400 acres in 1970, to the largest dairy in Rock County, Wisconsin, milking almost 1400 cows and farming over 3500 acres.

The dairy supports six Larson families, spanning four generations, as well as the families of several other employees whose combined efforts and enthusiasm for farming are key to the success of the operation. Larson Acres management team consists of Virginia Larson, Mike Larson, Ed and Barb Larson, Jamie and Amy Larson, and Jim and Sandy Trustem.

During the summer meltdown celebration, Mike Larson will lead you on a tour of the entire operation. Come see Larson Acres' tie-stall barn turned calf barn, their special needs barn, Bou-Matic milking parlor, two four-row freestall barns, feed storage, sand/manure separator, manure storage structures, and more. See and learn what makes Larson Acres a five-star certified dairy, and about the new and innovative approach to nutrient management which was recently installed and is being researched at the dairy site. Could it be an answer to the manure handling hardships so many farmers are facing? Come see for yourself!

## 2008 SUMMER MELTDOWN REGISTRATION

Name(s): \_\_\_\_\_  
Kid(s) Names & Ages: \_\_\_\_\_  
Address: \_\_\_\_\_
